

Twin Tub Washing Machine with Spin-Dry Shower

This twin tub washing machine has a 12kg wash capacity and a spin-dry shower feature. It features a plastic body and a classical design.

Product Overview

High-Capacity Twin-Tub Design

This 12kg twin-tub washing machine is engineered for efficiency and durability, featuring a robust plastic body and a classic, user-friendly design. It incorporates a specialized spin-dry shower system to enhance cleaning results and streamline the laundry process. Ideal for heavy-duty requirements, this model balances high-volume wash capacity with precise spin-dry performance.
