

# Twin Tub Washing Machine with Spin Dryer

This twin tub washing machine features separate washing and spin-drying compartments. It is equipped with control knobs to adjust wash and spin time, has a durable plastic body, and is designed for efficient clothes washing.

## Product Overview

### Efficiency Meets Compact Design

This twin tub washing machine is engineered for high-efficiency laundry care in space-constrained environments. Featuring dedicated compartments for both washing and spin-drying, it provides professional-grade results with minimal energy expenditure. The durable, lightweight construction and intuitive control interface make it a reliable solution for small-scale laundry operations.

## Design and Build

Body Material	Durable reinforced plastic
Lid Features	Translucent, Green tint, Visual monitoring

## Technical Features

### Control System

- Wash timer control
- Spin timer control
- Wash mode selector

### Configuration

Twin Tub System • Separate Spin Dryer
