

# Twin Tub Washing Machine with Spin Dryer

This twin tub washing machine has separate washing and spin-drying compartments. It features individual timers, durable plastic construction, and a compact design.

## Product Overview

### Versatile Twin Tub Solution

This twin tub washing machine offers a practical, space-saving solution for small to medium laundry requirements. With separate dedicated compartments for washing and spin-drying, it provides users with efficient and individual control over each stage of the cycle. Its durable plastic construction and low energy consumption design make it an ideal choice for compact living or utility spaces.

## Technical Specifications

Design Type	Twin Tub with Separate Spin Dryer
Control Method	Manual Knobs, Individual Timers, Cold Water Support, Warm Water Support
Material	Durable Plastic

## Performance Metrics

### Efficiency Highlights

**1 Low**

Power Consumption

## Operational Features

### Key Features

- Separate wash and spin compartments
- Transparent lids for cycle monitoring
- Compact space-saving design
- Manual water fill and drainage
