

Two-Burner Black Glass Gas Hob with Electronic Ignition

This gas hob features a sleek black glass surface and two burners. It includes electronic ignition, a digital display for timer and settings, and rotary control knobs for flame adjustment.

Overview

Professional Two-Burner Gas Hob

The XQ3 gas hob combines sleek modern aesthetics with professional-grade performance. Featuring a durable black tempered glass surface and robust cast iron pan supports, it is designed for heavy-duty kitchen environments. Advanced safety features including automatic ignition and flame failure protection ensure both convenience and peace of mind for the operator.
