

Two-Cup Electric Drip Coffee Maker with Mugs

This compact coffee maker is designed to brew two cups of coffee at once. It includes two white ceramic mugs and features a top-loading water reservoir and drip tray.

Product Overview

Compact Brewing Solution

This electric drip coffee maker is designed specifically for small spaces, offering a streamlined brewing process for two cups at once. Featuring a clean white body with stylish green accents, it provides a simple and efficient way to prepare fresh coffee. The unit comes complete with two ceramic mugs, making it a ready-to-use solution for offices or compact kitchen environments.
