

# Two-Door Bottom Freezer Refrigerator

This refrigerator is designed for household use. It features a two-door configuration with a freezer compartment at the bottom and a refrigerator compartment at the top.

## Product Overview

### Efficient Household Cooling

The BCD-199ZM2 is a reliable two-door refrigerator designed for efficient household food storage. Featuring a convenient bottom-freezer configuration and a top-mounted refrigerator compartment, it balances accessibility with performance. The clean white finish, complemented by stylish chrome accents, ensures it fits seamlessly into modern kitchen environments.
