

Two-Door Compact Refrigerator

This is a compact, two-door refrigerator with a freezer compartment on top and a refrigerator compartment below. The exterior features a brushed metal finish, providing a modern look suitable for small kitchens or as a secondary unit.

Product Overview

Compact Two-Door Design

This compact, two-door refrigerator features a dedicated freezer compartment on top and a spacious refrigerator compartment below. Designed with a sleek, brushed metal finish, it offers a modern appearance suitable for professional environments, small kitchens, or as a secondary cooling unit. Its efficient layout ensures optimal storage capacity while maintaining a space-saving footprint.
