

Two-Door Refrigerator with 212L Capacity

This two-door refrigerator has a total effective volume of 212L and a freezer volume of 89L. It has a freezing capacity of 4.5kg/24h and consumes 0.69 kWh/24h.

Product Overview

Compact and Efficient Two-Door Design

This 212L two-door refrigerator combines style with high-efficiency performance, making it an ideal choice for compact professional or residential settings. Engineered for energy conservation, it operates with a low power consumption of 0.69 kWh/24h and holds a Class 1 energy efficiency rating. With a dedicated 89L four-star freezer, this unit ensures reliable preservation and effective freezing capabilities.
