

Two-Door Top-Freezer Refrigerator

This two-door refrigerator features a top freezer compartment and a bottom refrigerator section. The appliance has a silver exterior and is suitable for smaller spaces.

Product Overview

Compact Cooling Solution

This two-door top-freezer refrigerator offers a practical and efficient design suitable for compact environments. The unit features a modern silver exterior that fits seamlessly into various professional or living spaces. With a separate top freezer and bottom refrigerator compartment, it ensures organized storage for both frozen and chilled goods.
