

Two-Door Top-Freezer Refrigerator

This appliance features a top freezer compartment and a larger refrigerator section below. The design incorporates chrome-colored handles and trim, complemented by a smooth, glossy exterior finish.

Product Overview

Retro Aesthetic & Efficient Cooling

This two-door top-freezer refrigerator combines a classic retro aesthetic with modern functionality. Featuring a vibrant green finish and chrome-colored accents, it serves as both a reliable cooling solution and a stylish centerpiece. Its compact, two-door design provides dedicated storage for frozen goods and fresh items, making it ideal for professional and home environments alike.
