

Two-Door Top-Freezer Refrigerator

This is a two-door top-freezer refrigerator designed for household use. It features a separate freezer compartment on top and a larger refrigerator compartment below.

Product Overview

Compact Two-Door Cooling Solution

This two-door top-freezer refrigerator is designed for efficient food storage in compact environments such as apartments or small kitchens. Featuring a distinct top-mounted freezer compartment and a spacious lower refrigerator section, it provides reliable cooling performance. The unit is finished in a durable blue color and includes convenient vertical handles for easy access.
