

Two-Door Top-Freezer Refrigerator

This refrigerator features two doors with the freezer on top and the refrigerator on the bottom. The unit includes shelves, a wine rack, door storage, and freezer drawers.

Overview

Professional Top-Freezer Solution

This two-door refrigerator is designed for efficient food storage with a minimalist metallic finish suitable for modern commercial or high-end residential environments. It features a versatile top refrigeration compartment equipped with specialized shelving and a wine rack for organized access. The bottom freezer section utilizes a drawer-based system, ensuring that frozen goods are easily accessible and neatly categorized.
