

Two-Slice Stainless Steel Toaster

This is a two-slice toaster with a stainless steel finish. It features settings for frozen, stop, and reheat, along with a numbered dial to adjust the toasting level.

Product Overview

Professional Two-Slice Toaster

This premium two-slice toaster features a sleek, durable stainless steel finish designed for modern kitchen environments. Equipped with dedicated functions for frozen items, reheating, and instant cancellation, it provides versatile performance for high-demand settings. The intuitive numbered dial ensures precise browning control, while the removable crumb tray simplifies maintenance and keeps workspaces clean.
