

Two-Tier Electric Hot Pot and Grill

This multi-function appliance features a two-tiered design with interchangeable cooking surfaces, including a hot pot and a grill pan. It has adjustable temperature controls and a non-stick coating for easy cleaning.

Product Overview

Versatile Multi-Function Cooking

This two-tier electric hot pot and grill is a compact, multi-functional kitchen appliance designed for flexibility and ease of use. Featuring interchangeable cooking surfaces, it allows for simultaneous or sequential preparation of soups, stews, noodles, grilled meats, and vegetables. Its non-stick coating ensures effortless cleaning, making it an ideal solution for small kitchens, dorm rooms, or efficient meal preparation.
