Overview

Ultrasonic Aroma Diffuser and Humidifier

This ultrasonic aroma diffuser and humidifier combines elegant design with functional performance to enhance indoor air quality. It utilizes advanced ultrasonic technology to disperse a fine mist of water and essential oils, creating a soothing and aromatic environment perfect for homes or offices. With built-in timer settings and a stylish wood and glass construction, it serves as both a wellness device and a decorative accent.

Technical Specifications

Power Output

18 V

Voltage

500 mA

Current

Ultrasonic Frequency	1.7 MHz
Mist Output	30 mL/h
Water Tank Capacity	150 ml
Power Input	100-240V 50/60Hz

Features

Timer Options

- 30
- 60
- 90

Compliance

CE • FC • RoHS

Construction Materials

PP, Wood, Glass

LED Lighting

1 LED light with yellow color

Logistics

Weight Specifications

Type	Weight
Net Weight (excluding adapter)	940g
Gross Weight	1132g

Carton Dimensions

380 x 330 x 590 mm
