Overview

Professional Evaporative Humidification

The HCX-H604T is a high-performance evaporative humidifier designed for professional and residential environments. Utilizing a wick filter and ultrasonic technology, it delivers a consistent mist output of 480ml/hour to maintain optimal air quality in spaces up to 30 square meters. Its modern top-fill design and intelligent safety features, including UV degerming and a child lock, make it a reliable choice for health-conscious users.

Performance

Performance Highlights

480 ml/h
Mist Output

3.5 L
Water Capacity

30 sqm
Max Coverage

Technical Specifications

Input Voltage	110V / 240V (50~60Hz)
Rated Power	23 W
Housing Material	ABS Plastic

Features & Functionality

Advanced Components

- DC variable frequency fan
- High water level alarm
- Low water level alarm
- Humidifying wick filter
- Top-fill water port

Connectivity

WIFI Optional

Core Functions

Humidity Control, Fogmeter, Timer, UV Degerming, Child Lock, Automatic Shut-off

Physical Dimensions

Product Size

275 x 275 x 375 mm

Logistics & Packaging

Shipping Details

Parameter	Value
Packing Size	98 x 67 x 44 cm
Quantity per Carton	6 pcs
40HQ Container Capacity	Approx. 1332 pcs (222 ctns)
