

Ultrasonic Distance and Moisture Meter with Multi-Sensor

This ultrasonic distance and moisture meter combines distance measurement with multi-sensor capabilities. It features a 16-meter range, 1% accuracy, laser diode, and LCD.

Ultrasonic Distance Measurer	
Specification:	measuring range: 16 m integrated spirit level material: shell: ABS 650 nm laser diode laser classification: 2 accuracy: 1% max power: 0.9 mW with LCD display
Features etc:	weight: 112 g (net weight) Functions: - battery display - temperature display - automatic shut off after 60 sec without usage - meter/ inch options - summing function - storage for saving/ showing the last measurements - volume and area calculation
Materials:	ABS TPR
Packing Method:	DOUBLE BULSTREZ/ CLAMSHELL
Battery Type:	9V
Unit Net Weight:	112g
Unit Size:	67 x 145 x 39 mm

Product Overview

Professional Multi-Function Measurement Suite

This versatile measurement kit integrates an ultrasonic distance measurer, a multi-sensor detection tool, and a digital moisture meter into a comprehensive solution for professional contractors and inspectors. Designed for precision and ease of use, the suite includes features such as area and volume calculation, stud/metal/AC detection, and material moisture assessment. With durable ABS/TPR construction and intuitive digital displays, these tools provide reliable performance for diverse construction and maintenance applications.

Technical Specifications

Laser Configuration

650 nm

Laser Wavelength

0.9 mW

Max Power

Measuring Range: 16 m

Accuracy: 1 %

Features and Functions

Advanced Functions

- Battery level display
- Ambient temperature display
- Auto shut-off after 60 seconds
- Metric/Imperial units switching
- Stud/Metal/AC detection modes

Core Features

Integrated Spirit Level, Area Calculation, Volume Calculation, Summing Function, Memory Storage

Physical Attributes

Dimensions and Weight

Attribute	Value
Weight	112g
Dimensions	67 x 145 x 39 mm
Housing Material	ABS / TPR
Battery Type	9V

Logistics

Packaging

Double Blister • Clamshell
