Product Overview

Premium Universal Seat Protection

This universal car seat cover set is crafted from a durable combination of luxurious PU leather and high-quality polyester, backed by 3mm of breathable foam for maximum comfort. Designed for versatile application, these covers fit most cars, trucks, vans, and SUVs while ensuring side-airbag compatibility through special stitching techniques. The set features a unique edge-wrapping design and an easy-install system with S-hooks, providing comprehensive protection against wear and tear while enhancing your vehicle's interior aesthetic.
