

Universal Fit Car Seat Cover Set

Universal fit car seat covers protect vehicle upholstery from wear, spills, and stains. The durable construction features black and colored panels for style and practicality, including covers for front and rear seats with headrest covers.

Product Overview

Universal Seat Protection Set

This 9-piece car seat cover set is engineered to provide comprehensive protection for vehicle upholstery against daily wear, spills, and stains. Crafted from a blend of premium velvet, breathable mesh, and a comfortable 5mm foam backing, these covers ensure both durability and passenger comfort. Designed with a universal fit, the set is an ideal solution for upgrading vehicle interiors while maintaining a professional and sleek appearance.
