

Universal Travel Adapter Plug

This universal travel adapter plug is designed for converting various plug types. Its compact and lightweight design ensures easy portability.

Product Overview

Universal Travel Adapter Plug

This versatile universal travel adapter is designed to facilitate seamless connectivity for international travelers. Engineered with high-quality ABS material and durable copper components, it ensures reliable performance across different power standards. Its compact, lightweight design makes it an essential accessory for global mobility, supporting standard voltage and current ratings.

Technical Specifications

Rated Current	16 A
Rated Voltage	250 V
Pin Diameter	4.8 mm

Materials & Construction

Housing Material	ABS
Contact Material	Copper
Pin Configuration	Hollow copper pin

Key Features

Key Features	Compact Design, Lightweight, International Compatibility, Durable Construction
