

Urban Commuter Motorcycle

This motorcycle is designed for urban commuting. It features a step-through frame, front and rear fenders, and a single exhaust pipe.

Overview

Urban Commuter Motorcycle

Designed for efficiency and comfort, this urban commuter motorcycle features a classic step-through frame and durable construction. It is engineered with a reliable engine platform, available in 125CC or 150CC configurations, making it an ideal choice for daily city travel. The design incorporates practical elements such as front and rear fenders and a comfortable padded seat to ensure a smooth riding experience.
