

Urban Commuter Motorcycle

This motorcycle is designed for urban commuting. It features a step-through frame, a single seat, and a rear luggage rack.

Overview

Urban Commuter Motorcycle

Designed specifically for efficient city navigation, this urban commuter motorcycle features a convenient step-through frame that allows for easy mounting and dismounting. Equipped with a practical rear luggage rack, it is ideal for short-distance transportation and daily errands. The inclusion of a chrome-finished crash bar adds both a stylistic touch and an extra layer of protection for the rider.
