

Urban Commuter Motorcycle

This is a small displacement motorcycle designed for urban commuting. It features a step-through frame, front fairing, and black wheels.

Overview

Urban Commuter Motorcycle

Designed specifically for the modern urban environment, this motorcycle features a sleek yellow and black aesthetic with a practical step-through frame. Its compact design and small displacement engine make it an ideal solution for navigating busy city streets and short-distance commuting. With a focus on agility and style, this model provides a reliable and efficient transportation option for daily travel.
