

Urban Commuter Motorcycle

This motorcycle is designed for urban commuting and recreational riding. It features a step-through frame design with a low seat height, making it accessible for a wide range of riders.

Overview

Urban Commuter Motorcycle

The MT-150-A is a versatile urban commuter motorcycle designed for accessibility and daily reliability. Featuring a classic-style aesthetic with chrome accents and a practical step-through frame, it offers a comfortable, low-seat riding experience. Equipped with essential utility features like a luggage rack, crash bars, and full fenders, this bike is built for both city navigation and recreational riding.
