

Utility Cargo Tricycle with Flatbed

This tricycle is designed for utility or cargo transport. It features a flatbed cargo area with railing, supported by two wheels.

Product Overview

Robust Utility Cargo Tricycle

This cargo tricycle is designed for reliable utility and transport tasks in various professional environments. It features a sturdy motorcycle-style front end for enhanced control and a spacious rear flatbed equipped with protective railings to secure cargo. The design emphasizes durability and practical functionality for daily heavy-duty use.
