

Utility Tricycle with Cargo Area

This tricycle is designed for stability and ease of use. It features a front basket for carrying items and a rear cargo area with side supports.

Product Overview

Designed for Versatility and Utility

This utility tricycle is engineered for maximum stability and daily operational ease in commercial or personal settings. Featuring a robust metal construction and a convenient step-through frame, it ensures accessibility for all users while providing ample room for cargo. Equipped with safety essentials like front and rear lighting, as well as integrated mirrors, it is a practical solution for local transport tasks.
