

# Vehicle Cargo Area Protector Mat

This high-quality cargo liner protects the vehicle's cargo area from spills, dirt, grease, and wear. Its durable, flexible material has a raised lip to contain messes and a textured surface to prevent cargo from shifting.

## Product Overview

### High-Quality Cargo Protection

This durable cargo liner is engineered to protect your vehicle's trunk area from spills, dirt, grease, and daily wear. Featuring a custom-fit design, it provides maximum coverage with a raised lip to contain messes and a heavy nibbed backing to keep the mat securely in place. Resistant to water, chemicals, and extreme temperatures, this liner offers long-lasting performance and a seamless look for your vehicle's interior.
