

Vehicle Hydraulic Trolley Jack

This heavy-duty hydraulic trolley jack is designed for lifting vehicles. It features durable steel construction, a smooth hydraulic lifting mechanism, and a safety valve to prevent overloading.

Product Overview

Professional Hydraulic Trolley Jack

This 3-ton hydraulic trolley jack is engineered for heavy-duty vehicle maintenance and repair. Featuring a fast-lifting dual pump system, it offers efficient operation for garages and workshops. Its durable construction and safety features, including GS approval, ensure reliable performance during vehicle lifting tasks.

Technical Specifications

Lifting Capacity	3 T
Minimum Height	75 mm
Maximum Height	500 mm
Unit Weight	34 kg
Key Features	Fast lifting dual pump, GS Approved, Heavy duty

Logistics & Packaging

Packaging Specifications

Metric	Value
Gross Weight per Carton	33 kg
Net Weight per Carton	22.5 kg
Carton Dimensions (L x W x H)	77.5 x 38.5 x 19 cm
Packaging Type	Triple Wall Corrugated Carton

Standard Delivery

14 Days

Rapid Delivery
