High Speed

Technical Specifications

Abrasive Material	Premium Aluminum Oxide
Backing System	Velcro (Hook and Loop)
Compatible Tools	Rotary Sanders, Random Orbit Sanders, Palm Sanders

Product Range

Available Diameters

100mm • 115mm • 180mm

Available Grit Sizes

P40 • P60 • P80 • P100 • P120

Size and Grit Selection Matrix

Diameter	Grit Options	Application
100mm	P40 - P120	Standard Grinding
115mm	P40 - P120	Medium Surface Prep
180mm	P40 - P120	Large Area Polishing

Application Guide

Grit Selection Guide

- Lower Mesh (P40, P60): Fast polishing and big graining
- Higher Mesh (P100, P120): Slow polishing and small graining
- P80: General purpose professional grinding
