

VESA Mount Adapter Kit for 13-27 inch Non-VESA Monitors

This universal VESA mount kit is designed for monitors lacking a standard bolt hold pattern. The adjustable monitor arm adapters can be positioned to accommodate various monitor sizes and shapes.

Product Overview

Versatile Mounting Solution

The VESA Mount Adapter Kit enables the use of non-VESA compliant monitors with standard desk and wall mounts. Designed for screens between 13 and 27 inches, this kit provides a stable and adjustable mounting solution. Its heavy-duty powder-coated steel construction ensures long-term reliability for your professional workspace setup.
