

Vintage Cathode Ray Tube Television

This is a vintage cathode ray tube (CRT) television set. It features a retro design with integrated speakers and a control panel.

Overview

Classic Visual Technology

This vintage cathode ray tube (CRT) television set offers an authentic retro aesthetic, perfect for collectors, period-accurate set design, or vintage technology enthusiasts. Featuring a distinctive rectangular screen framed by a robust wooden and metal chassis, it combines mid-century design principles with classic analog display technology. The unit includes integrated side-mounted speakers and a dedicated lower control panel, ensuring a tactile and nostalgic user experience.
