

Volkswagen Multivan Strut Bumper and Bellows Kit

This kit includes strut bumpers and bellows designed specifically for Volkswagen Multivan vehicles. The strut bumpers provide cushioning and prevent damage to the suspension system during compression, while the bellows protect the strut from dirt, debris, and moisture, extending its lifespan.

Product Overview

Comprehensive strut bumper and bellows kit designed for optimal suspension protection and performance.

High-Performance Suspension Protection

This Strut Bumper and Bellows Kit is engineered to meet strict original equipment parameters, ensuring performance and material quality consistent with OEM standards. Designed specifically for the Volkswagen Multivan, the kit utilizes high-quality polyurethane and natural rubber or TPV to provide excellent wear, tensile, and temperature resistance, functioning reliably even in extreme conditions as low as -40°C. Each component is fatigue-tested to withstand 200,000 impacts, effectively protecting shock absorbers for at least 18 months or 100,000 km.

Technical Specifications

Reference Numbers

Manufacturer	Part Number
BILSTEIN	11-268253
KYB	910136

OE Numbers 7H0412137, 7H0412303A

Material Composition Polyurethane, Natural Rubber, TPV, PP

Compatibility & Fitment

Compatible Model	Volkswagen Multivan
Model Years	2003-2015

Performance Metrics

Fatigue Test Resistance

200000 cycles
Impact Cycles

Service Life Expectancy	18 months or 100,000 KM
Low Temp Resistance	-40°C
Storage Shelf Life	3 years

Logistics & Warranty

Certifications

ISO • IATF

Warranty	1 year
Minimum Order Quantity	100 PCS
