

VW Jetta GLI Complete Front Bumper Assembly

Complete front bumper assembly designed for the VW Jetta GLI 2015. It includes the bumper cover, lower spoiler, fog lights, grilles, and all mounting hardware for easy installation.

Product Overview

Premium Front Bumper Assembly

This complete front bumper assembly is specifically engineered for the 2015 Jetta GLI model, ensuring a precise fit and seamless integration. Manufactured from high-quality polypropylene (PP) material, it offers excellent durability and impact resistance for long-term vehicle protection. The kit comes fully equipped with the main bumper cover, lower spoiler, fog lights, grilles, and necessary mounting hardware, making it ready for professional paint and installation.
