

Wall Mount Exhaust Fan with Louvered Grille

This wall-mounted exhaust fan is designed for efficient ventilation in bathrooms, kitchens, and other enclosed spaces. Featuring a durable white plastic construction, the fan includes a louvered grille to prevent backdraft and keep out insects when the fan is not in operation.

Product Overview

Efficient Air Ventilation Solution

This wall-mounted exhaust fan is engineered to provide reliable air extraction and moisture control in various environments. Featuring a louvered grille, the unit effectively prevents backdrafts and keeps pests out when inactive. Its durable white plastic construction and optimized blade design ensure long-lasting performance with quiet operation, making it ideal for residential and commercial applications.

Technical Specifications

Construction Material	Durable white plastic
Grille Design	Louvered
Suitable Environments	Residential, Commercial, Bathroom, Kitchen

Key Features

Main Benefits

- Integrated louvered grille to prevent backdraft
- Insect-resistant design
- Optimized fan blades for quiet operation
- Easy wall-mount installation
