

Wall Mount Kitchen Range Hood

This kitchen range hood is designed for wall mounting above stoves and cooktops. It removes smoke, grease, and odors from the cooking area.

Product Overview

Professional Kitchen Ventilation Solution

This wall-mounted kitchen range hood is engineered to efficiently extract smoke, grease, and cooking odors, ensuring a cleaner environment for culinary operations. Featuring a sleek design with a durable stainless steel central panel and contrasting black side accents, it integrates seamlessly into modern professional or residential kitchens. Equipped with built-in illumination and intuitive controls, this hood provides both enhanced visibility and effortless operation during use.
