

Wall Mountable Electric Fan with Three Blades

This is a wall-mountable electric fan designed for household use. It features a three-blade design enclosed within a circular safety grill and is designed for providing localized airflow and cooling in indoor environments.

Product Overview

Professional Grade Wall-Mounted Cooling

This wall-mountable electric fan features an elegant and innovative design, perfect for optimizing airflow in indoor environments. Engineered for efficiency, it utilizes a high-quality motor to deliver consistent, powerful cooling. With three adjustable speed settings and integrated oscillation control, it offers versatile climate management for various professional or residential spaces.

Technical Specifications

Number of Blades	3
Speed Levels	3
Control Mechanism	Pull switch control
Oscillation	Yes

Performance Features

Key Performance Attributes	High-Speed Cooling, Powerful Airflow, Adjustable Speed, Wall-Mountable
