Product Overview

Space-saving wall-mounted unit designed for hotel and hospitality bathrooms.

Professional Wall-Mounted Hair Dryer

This professional-grade wall-mounted hair dryer is specifically engineered for hospitality environments, schools, and private residences. It features a space-saving fixed base design with an integrated power socket, ensuring maximum convenience for users. Safety is prioritized through an internal overheat protection device that automatically powers off the unit if necessary, while the constant temperature technology ensures efficient drying without damaging hair quality.
