

Wall-Mounted Kitchen Range Hood

This range hood is designed for wall-mounted installation above cooking ranges and stovetops. It features built-in LED lights and mesh filters to capture grease and airborne particles.

Product Overview

Professional Kitchen Ventilation

This wall-mounted range hood is engineered for high-performance kitchen ventilation, featuring a durable stainless steel coaming for long-lasting reliability. It is equipped with an efficient copper motor and iron blower assembly to ensure powerful extraction. The sleek design is complemented by intuitive touch controls and integrated LED lighting to enhance your cooking workspace.
