

Wall Mounted Split Air Conditioner

This wall-mounted split air conditioner provides efficient cooling and climate control for residential and commercial spaces. It features adjustable temperature settings, multiple fan speeds, and a multi-stage filtration system.

Product Overview

Efficient Climate Control

This wall-mounted split air conditioner provides reliable cooling and heating capabilities suitable for residential or commercial spaces between 16 and 25 square meters. Engineered for quiet operation, it features a dual-unit system with an indoor air handler and an outdoor compressor to minimize noise. With its versatile cooling capacity of 12,000 BTU/h, it ensures consistent comfort while maintaining efficient air flow for a clean and healthy environment.

Performance Metrics

Cooling & Heating Data

12000 Btu/h

Cooling Capacity

13000 Btu/h

Heating Capacity

520 m³/h

Air Flow Volume

Technical Specifications

Operating Noise Level

Location	Noise (dB)
Indoor	40
Outdoor	52

Supported Refrigerants

R22, R410a

Installation & Dimensions

Pipe Connection Sizes

- Liquid: 1/4 inch
- Gas: 1/2 inch

Indoor Unit Dimensions (WxDxH)

745x198x250 mm

Outdoor Unit Dimensions (WxDxH)

760x259x537 mm

Logistics

Container Loading (20'/40'/40'HQ)
