

Wall-Mounted Toilet and Bidet Set

This is a wall-mounted toilet and bidet set designed for modern bathroom installations. Both units mount directly to the wall, creating a space-saving and aesthetically pleasing design.

Overview

Modern Wall-Mounted Sanitation Solution

This wall-mounted toilet and bidet set is engineered for modern bathroom installations, offering a sleek, space-saving design perfect for both residential and commercial projects. The system features a concealed cistern setup that promotes a clean aesthetic while ensuring easy maintenance. Both units are crafted from high-quality ceramic, providing a smooth, hygienic surface that is simple to clean and maintain over time.
