

Wall/Window Mount Exhaust Fan

This electrical fan is designed for ventilation and exhaust purposes. Its circular frame is suitable for wall or window installation and features four blades optimized for efficient airflow.

Product Overview

Professional Ventilation Solution

This wall or window mount exhaust fan is engineered to provide efficient air circulation for both residential and commercial environments. Featuring a robust metallic motor housing and a balanced four-blade design, it ensures reliable performance and durability. Its versatile mounting system allows for seamless installation, making it an ideal choice for spaces requiring consistent exhaust and ventilation.
