

Wall/Window Mount Exhaust Fan with Shutter

This exhaust fan is designed for wall or window mounting. It features a built-in shutter to prevent backdrafts when the fan is not in operation.

Product Overview

Efficient Ventilation Solution

This wall or window mount exhaust fan is designed to provide reliable air circulation in enclosed spaces such as bathrooms and kitchens. Featuring a durable plastic construction, it includes a built-in shutter mechanism that effectively prevents backdrafts when the unit is powered off. Its five-blade design ensures consistent airflow performance for improved indoor air quality.
