

Warm Mist Humidifier with Tip-Over Switch

This humidifier uses warm mist technology to increase indoor humidity. It features a tip-over switch for safety.

Product Overview

Warm Mist Comfort

This warm mist humidifier is designed to effectively manage indoor humidity levels, providing relief from dry air in bedrooms, offices, or living spaces. It features a user-friendly translucent orange water tank for quick water level monitoring and a durable white plastic housing. With an integrated tip-over switch for safety, it offers both performance and peace of mind for daily use.
