

Waterproof Car Roof Cargo Carrier

Waterproof cargo carrier bag designed for car roof, providing extra storage space for travel and outdoor adventures. Constructed with durable, weather-resistant materials, featuring secure straps and buckles for easy attachment and stability.

Product Overview

Versatile Weather-Resistant Storage

This waterproof car roof cargo carrier is designed to maximize vehicle storage capacity for travel and outdoor adventures. Crafted from high-quality 0.5 mm PVC material, it offers a secure and weather-resistant solution for transporting bulky luggage or camping gear. The bag features a generous 350-liter capacity and is engineered for simple attachment to car rooftops using integrated straps and buckles.
