

Wax Melting Device

This wax melting device offers a compact and efficient solution for melting wax. It features a rapid heating system and maintains a consistent temperature for optimal application.

Product Overview

Compact Wax Melting Solution

The JDL-57C is a compact and efficient wax melting device designed for both home and professional use. It features a rapid heating system powered by PTC technology to reach and maintain consistent temperatures for optimal application. Its ergonomic build ensures comfort during handling, while the durable ABS construction guarantees long-lasting performance for routine hair removal treatments.

Technical Specifications

Rated Power

10 W

Power Consumption

Heating Material	PTC
Shell Material	ABS

Dimensions and Weight

Device Dimensions

Metric	Value
Machine Size	18.5 x 4.3 x 7.5 cm
Net Weight	0.25 kg
Gross Weight	0.30 kg

Logistics

Packaging Details

- Box size: 18.5 x 5 x 7.6 cm
- Carton size: 39.5 x 33 x 27.5 cm
- Quantity per carton: 40 PCS
- Quantity per 20' container: 30000 PCS
