Product Overview

Clean Air Anywhere

The AC-609ME is a highly portable wearable anion air purifier designed to improve individual air quality in diverse environments. By utilizing advanced negative ion technology, it effectively helps neutralize airborne pollutants, dust, and smoke in your immediate personal space. With its lightweight design and exceptionally long battery life, this device provides a seamless and unobtrusive way to maintain a cleaner breathing environment during travel, work, or daily activities.

Key Features

Rechargeable, Portable, Quiet Operation, Push Button Control

Technical Specifications

Anion Concentration

20000000 ions
Negative Ion Output

Battery Life

167 hours

Charging Time

2.5-3.5 Hours

Rated Voltage

DC 5V

Physical Dimensions

Weight Details

Metric	Value
Net Weight	52g
Gross Weight	0.21kg

Product & Packaging Dimensions

- Product: 84 x 40 x 24.8mm
- Unit Package: 195 x 65 x 60mm
- Master Package: 389 x 312 x 142mm
