

Weld-On Adapter for Backhoe Bucket Teeth

This weld-on adapter is designed for CAT J350 series backhoe buckets. It provides a secure and reliable connection for bucket teeth.

Product Overview

High-Performance Weld-On Adapter

This 3G8354 weld-on adapter is precision-engineered for J350 series bucket teeth, providing a secure and durable connection for heavy-duty digging applications. Manufactured using high-quality casting methods with robust alloy steel, it is designed to withstand intense operational stress. It is an essential component for maintaining optimal performance in excavators and loaders, ensuring long service life and reliability in demanding environments.

Technical Specifications

| | |
|-------------------|-------------|
| Part Number | 3G8354 |
| Production Method | Casting |
| Material | Alloy Steel |
| Hardness | HB 470-520 |

Performance Metrics

Mechanical Properties

15 J

Impact Resistance

1450 N/mm²

Tensile Strength

1100 N/mm²

Yield Strength

Compatibility

Compatible Equipment

- Loader
- Excavator
