

Welding Torch Consumables and Spares

Spare parts and consumables ensure proper welding torch function. The selection includes swan necks, contact tips, gas diffusers, and gas nozzles.

Product Overview

Professional Welding Torch Consumables

This comprehensive selection of welding torch consumables and spare parts is designed to ensure optimal performance and longevity for your equipment. The range includes essential components such as swan necks, contact tips, tip holders, gas diffusers, and gas nozzles. Compatible with a wide variety of standard torch models, these high-quality replacements are engineered to maintain precision and reliability in demanding welding environments.

Compatibility

Supported Torch Models

15AK, 23KD, 24KD, 25AK, 26KD, 36KD, 40KD, 501D

Component Reference

Key Component Reference

Component Type	Model Series	Reference Part No.
Swan Neck	15AK	002.0009
Swan Neck	25AK	004.0012
Swan Neck	23KD	005.0003
Swan Neck	24KD	012.0001
Swan Neck	26KD	018.0001
Swan Neck	36KD	014.0006
Swan Neck	40KD	015.0001
Gas Nozzle	15AK	145.0075
Gas Nozzle	25AK	145.0076
Gas Nozzle	23KD	145.0080

Technical Specifications

Available Parts List

- Swan Necks
- Contact Tips
- Tip Holders
- Gas Diffusers
- Gas Nozzles
