

Wet and Dry Vacuum Cleaner with 20L Capacity

This wet and dry vacuum cleaner is designed for versatile cleaning tasks. With a 20-liter capacity, it efficiently handles both liquid and solid debris.

Product Overview

Professional Wet & Dry Cleaning Solution

This robust vacuum cleaner is engineered to handle both liquid and solid debris with high efficiency, making it an ideal choice for workshop, garage, or heavy-duty home environments. Featuring a powerful motor and a multi-stage filtration system, it ensures strong suction and optimal air quality during operation. Its ergonomic design, paired with a durable container and mobile chassis, provides users with reliable performance and ease of maneuverability across various surfaces.
