

White Plastic Storage Bucket with Lid

This durable plastic bucket is ideal for various storage applications. It features a sturdy handle for easy carrying and a secure lid to protect contents.

Product Overview

Professional Grade Storage Solution

This durable white plastic bucket is engineered for versatility and reliability across diverse industrial and commercial applications. Manufactured from high-quality polypropylene, it offers excellent chemical resistance and structural integrity for storing paints, chemicals, and food products. The integrated secure-fit lid ensures an airtight seal, effectively preventing spills and protecting the integrity of your stored goods.
